Cisco

Partner Status:

Cisco Gold Certified Partner

Capabilities:

MicroTech has been a Cisco partner since 2010 and achieved Gold Partner status in 2011. MicroTech is one of the fast growing Cisco Federal Channel Partners and currently holds more than 114 individual Cisco certifications.

MicroTech has achieved the highest level of Cisco expertise across multiple technologies by completing all of the following four advanced specializations: Unified Communications, Routing and Switching, Security, and wireless LAN. MicroTech can integrate the deepest level of Cisco Lifecycle Services expertise into their offerings and demonstrate a measurably high level of customer satisfaction. MicroTech has also been recognized with the highest distinction in achieving "Cisco Customer Satisfaction Excellence."

- Advanced Routing & Switching
- Advanced Security
- Advanced Unified Communications
